March 13, 2020

Dear RSE families,

This afternoon your child has come home with learning activities that will allow them to conduct At-Home Learning in the event that our school needs to close. Currently, we do NOT have a case of COVID-19 in our school, but as we have been doing for the last week, we are preparing in the event this should occur.

In a meeting with the Suffolk County Executive and the Suffolk County Health Department, it was determined that non-instructional activities and field trips should be cancelled. Therefore, we are cancelling the following until further notice:

- After-school Clubs
- Madagascar*, play rehearsal and performance (this WILL be rescheduled and is only postponed!)

The following outside events have been cancelled:

- 3/14 - SCMEA
- 4/3 - Odyssey of the Mind - State Championship Tournament Binghamton

We will continue with our BEFORE SCHOOL clubs and activities. If your child comes to school early for a club or extra help, we will continue to be here for them. If your child attends SCOPE before or after-school, they can continue to come. We will NOT be cancelling either SCOPE program.

I continue to work closely with area school districts regarding any school closures. Until such time, we respect the right of any parent to keep their own children home during this period of uncertainty. If you believe that it is in the best interest of your child or your family to remain home, we completely respect your decision to do so and will support you in every way that we can.

I am confident that you will be hearing from me again soon, as there is another update conference call scheduled with the county on Sunday and one with the State Education Department on Monday morning. Until then, please continue to take precautions that keep you and your family healthy.

Sincerely,

Denise Lindsay-Sullivan  
Superintendent of Schools
